

Hall County Appraisal District

2018 Annual Report

The Property Tax Assistance Division of the Texas Comptroller's office requires appraisal district to publish an annual report. This report provides property owners, taxing units, and other interested parties information about total market and taxable values, average market and taxable values of a residence, and exemptions at the time of certification of values to the taxing units.

Article 8 of the Texas Constitution defines five basic rules for property taxes:

- Property Taxes must be equal and uniform
- Generally, property must be taxed at market value defined as "the price at which a property would transfer for cash or its equivalent under prevailing market conditions". There are limited exceptions to this rule, such as productivity value for agricultural land.
- Each property must have a single appraised value
- All property is taxable unless federal or state law exempts it from taxation
- Property owners have the right to reasonable notice of increases in the appraised value of their property.

The Hall County Appraisal District was created by the Texas Legislature in 1979. Senate Bill 621 Required that an appraisal district be established in each county for the purpose of appraising property for ad valorem tax purposes. Appraisal district are local government political subdivisions of the state responsible for appraising property with county boundaries. Prior to the creation of central appraisal districts, each taxing unit followed their own appraisal standards and practices. Values were inaccurate and inequitable. Property owners were required to visit multiple taxing units to resolve any disputes concerning property value. Appraisal districts are independent of the taxing units but are governed by a board elected by the taxing units elected office.

By law, an appraisal district is to be managed by a professional staff with training and education prescribed by the State of Texas. Appraisers are registered Texas Department of Licensing and Registration, and must complete courses and exams to become a Registered Professional Appraiser.

Appraisal practices are governed by the Texas Property Tax Code and rules established by the Texas comptroller of Public Accounts. The Property Tax Assistance Division conducts a property value study and a Methods and Assistance Program review in alternating years. Results of both reviews are available on the Comptroller's website.

Exemption Data

Property owners may qualify for a variety of exemptions as provided by the Texas Constitution. Some of the most commonly occurring exemptions are described in the Texas Property Tax Code, Chapter 11.

Residential Homestead

The following chart represents the total exemption amounts available to homeowners who qualify for this exemption on homesites with a maximum of 5 acres:

	State Mandated			Optional		
	Regular	Over-65	Disability	Regular	Over-65	Disability

For school tax purposes, the over 65, disability, surviving spouse, and 100% disabled veteran residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead on existing buildings. (Any new area added to the homesite will cause the ceiling to be readjusted and set in the subsequent tax year.)

All Homeowners who qualify for the residential homestead exemption are subject to the placement of a homestead cap on their qualifying property, which prohibits the increase of taxable value on the homestead property to ten percent per year. However, the market value may still be reflective of the local real estate market.

Disabled Veterans

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability (as described above), disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs. Current exemptions amounts, based upon these ratings are:

Disability Percentage	Exemption Amount
DV 1 – 10% - 30%	\$5,000
DV 2 – 31% - 50%	\$7,000
DV 3 – 51% - 70%	\$10,000
DV 4 – 71 - 100%	\$12,000
100% DISABILITY / UNEMPLOYABLE	100% EXEMPTION
